advancement@viacenters.org
Our donors make a significant impact on the individuals and families we serve. Throughout this difficult year, you sustained our services and helped us rise to the challenge of meeting the needs of VIA families during a pandemic.

Your generosity contributed to:

- 265 individuals and families receiving services either virtually or safely in-person throughout the year.
- VIA’s Center for Adolescent and Adult Autism Services welcoming programs in May 2021, allowing for the return of full-time in-person services for all programs.
- 49 staff increasing their professional skills by earning an advanced degree or by becoming a Registered Behavior Technician.
In April, VIA was able to host a modified, COVID-safe version of Run for Autism. This was the first in-person fundraising and engagement event since the 2019 Gala. Though the race was significantly smaller, the experience was extremely meaningful for participants and we were able to welcome virtual runners from as far away as British Columbia!

We owe the Murray family a huge thanks for hosting us at beautiful Panorama Farms and to the Lorenzoni family for their help with planning and execution.

The 6th Annual VIA Charity Golf Event was held at Spring Creek Golf Club on June 29th. Over 30 teams braved the heat to hit the links to raise funds to support life-changing services for people with autism in our region. We also had adult clients on-site to help get everything organized. Thank you to our organizers and lead sponsors: Skanska, Perkins + Will and BR+A!
REVENUES BY SOURCE: FISCAL YEAR 2021

Local/State Billing $7,402,482
COVID Relief Grants $1,614,410
Medicaid $980,613
Private Insurance/Self Pay $424,257
Capital Campaign Fundraising $692,929
Unrestricted Fundraising $639,744
AN INSPIRING TRIBUTE

IN HONOR OF MILLER ADDISON COPPOLA

MAC's Café in honor of a dear friend. The Rathburns have known the Coppolas for more than 25 years. The challenge of raising a child with autism became real to David and Jayne as they watched first hand the wonderful love and care that Jeff and Mary invested in raising Addison. The café naming is their tribute to that love and care, and the hope that VIA brings to families. Next time you visit the CAAAS, make sure to stop by and have a cup of coffee with us!

As part of our Bridge to Adulthood Capital Campaign to establish the Center for Adolescent and Adult Autism Services (CAAAS), The Rathburn Family Foundation named

There are many ways to support VIA's program and capital needs. Visit viacenters.org/ways-to-give to learn more or contact Nicole Thomas, our Chief Advancement Officer.
Our first-ever giving circle! VIA's Inspiring Philanthropists Circle is a group of our most loyal supporters. Each year these individuals and organizations give at a leadership level to sustain our services and open our community to new possibilities. Individual households and corporate partners are invited to join the VIP Circle by giving $1,000+ or $2,500+, respectively, throughout the year. By joining the VIP Circle, you provide life-changing services to those with autism and ensure a sustainable, innovative future for VIA. Visit viacenters.org/support to learn more about VIP Circle benefits.
OFFICIALLY MOVED IN!

In May, programs and services moved into our newest facility on Hillsdale Drive, the Center for Adolescent and Adult Autism Services. As we finished renovations, we were able to make use of the additional square footage to bring back all students and clients to pre-COVID service levels safely.

Many thanks to our Bridge to Adulthood Campaign donors. Your generous support is helping VIA expand to provide more opportunities for increased independence, community connection, and personal growth for people with autism in our region. We are excited for the innovative opportunities this building will create to expand services!
