

VIA's Inspiring Philanthropists Circle is a group of our most loyal supporters. Each year these individuals and organizations give at a leadership level to sustain our services and open our community to new possibilities.

Individual households and corporate partners are invited to join the VIP Circle by giving \$1,000+ or \$2,500+, respectively, throughout the year. By joining the VIP Circle, you provide life-changing services to those with autism and ensure a sustainable, innovative future for VIA.
